25 October 2023

Message from the Guest Editors

We would like to invite you to contribute to our upcoming Special Issue of Sustainability titled “Land Consolidation, Land Management and Rural Areas Development in Sustainability”. The Special Issue focuses on original research articles and comprehensive reviews regarding the sustainable development of rural areas in different dimensions.

- land consolidation
- land management
- climate change and land consolidation
- shrinking villages, municipalities, etc. cadastral data on land consolidation
- cadastral data on rural development
- modernization of cadastral data in aspects of land management
- rural areas databases
- surveying of rural areas
- environment and land consolidation
- remote sensing for land consolidation/land management
- big and spatial data processing for land management
- sustainability and land management
- sustainability and land consolidation
- natural hazards and land consolidation
- multi-criteria methods in local investment site selection and land management

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access:— free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and other databases.

Journal Rank: [JCR - Q2 \(Environmental Sciences\)](#) / [CiteScore - Q1 \(Geography, Planning and Development\)](#)
